New DTD Partners

Join us in welcoming **Shelby County Schools** and the **Shelby County Department of Human Services** as our two newest *Driving The Dream* referral network partner agencies. We are excited about working with their teams of counselors, social workers and family support specialists to make referrals on behalf of their clients. We expect them to start making referrals in the late spring.

Our new database system will launch on Thursday, April 30th. Set some time aside to learn how to use CaseWorthy to enter your client referrals.

"I am grateful for the personalized care and approach my care coordinator used to aid in my navigation of the education and housing systems in Memphis. As a new Memphian, I did not know where to begin. My coordinator came at the right time. My family and I are beyond thankful for her patience, professionalism, and knowledge."
